The screenshot shows the 'Create a Plant' form in the Neovolta app. The form is displayed on a smartphone screen with a black border. At the top, the status bar shows the time 9:25, signal strength, Wi-Fi, and battery icons. The app header includes 'Cancel', 'Create a Plant', and 'Save' buttons. The form fields are as follows:

- Plant Type** (with a help icon): A radio button selection with options: Residential (selected), Commercial, Industrial, and Ground Mounted.
- Azimuth** (with a help icon): A text input field with the label 'Optional, 0~360°'.
- Tilt Angle** (with a help icon): A text input field with the label 'Optional, 0~90°'.
- More** (with a dropdown arrow): A link to expand the form.
- Currency**: A dropdown menu currently set to 'USD'.
- Unit Price(USD/kWh)**: A text input field with the label 'Optional'.
- Total Cost(USD)**: A text input field with the label 'Optional'.
- Contact Person**: A text input field with the label 'Optional'.
- Contact Number**: A text input field with the label 'Optional, used to make calls in the APP'.
- Business Name**: A text input field with the label 'Optional'.
